

Is your automated attendant causing your clients frustration?

Improve Your Automated Attendant with OE Attendant

With the OE Attendant, your callers have the option of either leaving a voicemail, or pressing zero to reach an Office Evolution receptionist (during business hours). It is a great way to save money while still allowing your clients to reach you if their call is urgent.

Plan Options	Setup Fee	Price	Features
OE Attendant Includes 1 Voicemail Box	\$49	\$30/month	A Professional receptionist will greet every “zero out” caller. The receptionist will screen, announce and transfer your caller to the appropriate personnel.
Call Answering	n/a	\$.99/call	\$.99/call for every call Office Evolution answers
Additional Voicemail	\$10	\$10/month	Unified Messaging is included with each voicemail. Unified Fax included.

OE Attendant Features:

- ✓ The OE Attendant provides you with a phone number that rings straight to a voicemail.
- ✓ You can record an out-going message, or allow our professionals to record a message.
- ✓ Your callers have the option of either leaving a voicemail, or pressing zero to reach an Office Evolution receptionist during business hours.
- ✓ When we greet your clients over the phone, we will ask their name and company information and then try to reach you on a cell or office phone number.
- ✓ You will have the option to either take the call, or refer that call to voicemail.

Notes:

The OE Attendant Plan does not include any office privileges.

For a professional meeting address, discounted conference rooms or unlimited drop-in, please refer to the ***OE On Demand*** Package.
