

Office Evolution Announces New Location in Interlocken

Location #10 for Boulder based Executive Suite and Virtual Office Provider

Denver, CO (PRWeb) 7 October 2009 – **Office Evolution** announces the addition of its newest business center in Interlocken, a high tech business park located in Broomfield, Colorado. Interlocken is adjacent to the small business and high tech hotbeds of Boulder and Louisville and only 20 minutes from downtown Denver.

Office Evolution's Interlocken business center is in a Class A building with stunning views, abundant free parking and easy access to the Highway 36, the Boulder Turnpike and Highway 287. This facility has 52 private offices, 3 conference rooms, a kitchen, large work room, and encompasses 16,000 square feet. Office Evolution has an option to occupy the remainder of the floor which would increase the facility to 80 offices and 20,000 square feet.

The business center will open on November 1 and pre-leasing has already commenced. Please contact Office Evolution at (303) 625-4000, or newmember@officeevolution.com to arrange a tour or click [HERE](#).

The building is located at **11001 West 120th Ave, Broomfield, CO 80021** and is part of the El Dorado Ridge complex owned by Bluemont Properties and Catlin Properties.

Office Evolution is a growing Virtual Office and Executive Suite company based in Boulder, Colorado offering members a full range of business services at every business center including:

- **Free 24/7 Access to all ten Denver metro locations**
- **Executive Office Suites**
- **Virtual Office Services**
- **Day Office Space**
- **Live Answer Telephone Receptionists**
- **Conference Room Space**

This latest business center will be the 10th for Office Evolution. Other business centers include **Denver, Boulder-Pearl, Boulder-Walnut, Longmont, Highlands Ranch/Lone Tree, Lakewood/Golden, Centennial/Aurora, Louisville, and Littleton.**

Office Evolution provides the tools necessary to help small businesses succeed by enabling them to project a more professional image while increasing productivity and improving customer service. Sole proprietors, entrepreneurs, consultants, and growing businesses comprise the core clientele of Office Evolution.

Office Evolution has invested heavily in the creation of a scalable and efficient infrastructure that allows it to add new locations quickly and then operate those locations very efficiently. The infrastructure includes an Avaya enterprise level telephone system, a web-based CRM and billing solution and a telephone answering platform all provided by leaders in their fields.
