IT'S THE ANSWERSM

Improve Your Automated Attendant

Is your automated attendant causing your clients frustration?

With Office Evolution, you can have the best of both worlds! Your automated attendant will answer your calls and Office Evolution will greet those callers who want to speak with a live person. We'll screen and announce each caller and transfer to the appropriate personnel. With our automated attendant enhancement, you'll have peace of mind that every caller is given the opportunity to reach a receptionist.
